

Guardian Angels Needed!

Is there someone in your life who makes you feel **safe** and **loved**? Who is there for you when you need help? Someone you can count on when life gets tough? These people are like Guardian Angels and everyone needs at least one.

Our animals need **Guardian Angels** too! Are you up for the job?

Every year, Harbor Humane Society cares for over **5,000** homeless pets.

Lost. Abandoned. Injured. Abused. Starving. Lonely. Confused.

They depend on you for their very lives.

They come in all breeds and all sizes. Kittens so small they must be bottle fed every two hours, 24 hours a day. Senior dogs, cast away because they have slowed down and might need a little extra medical care. Pets whose owners have lost jobs and can't afford to care for them anymore. Or who have lost their homes and had to move into an apartment where animals are prohibited. Animals whose owners have passed away. And animals who have been deliberately abused. **So many tragic stories.**

With your help, Harbor Humane provides medical care, food, clean water, a warm place to snuggle with a blanket, and people who care. Staff and volunteers work countless hours, not just to keep them comfortable and healthy, but who also hug them, walk them, play with them and actively search for their new forever home.

These animals need someone they can count on. They need Guardian Angels who will adopt a kennel and provide monthly support for them, while they heal and wait for their new family.

Adopting a kennel is easy!

Small dog, puppy and cat kennels are just **\$25 per month**

Large dog kennels are just **\$50 per month**

The amount can be deducted from your checking account or charged to your credit card automatically

It costs approximately \$20 per day to care for each animal. Kennel sponsorship provide a small portion per month but it is so important! It is support that they can count on every month throughout the next year.

(please flip to other side)

To say **THANK YOU**, we'll place an engraved plaque on your kennel acknowledging your kindness to our over 30,000 visitors annually. The plaque can be engraved to honor or remember a loved one or beloved pet who has touched your life. At year's end, you can retrieve your plaque as a momento which can grace your Christmas tree. Or choose to continue your sponsorship. We can also engrave a new plaque for next year if you wish.

And, you'll receive updates, periodically, about the animal living in your kennel, so you can celebrate with us when they leave our care and go to their new "forever" home. With your permission, Kennel Sponsors will be acknowledged on our website, along with the loved one you are honoring or remembering. This will be a living testament to the over 120,000 website visitors yearly.

**While your pet is with Harbor Humane, you will be their Guardian Angel.
Your support, turns sadness and despair into joy and hope!**

A litter of **four kittens** found sealed in a box, starving and dehydrated, too young to be separated from their mother, receive round the clock care until they are strong and healthy. All now live in homes where their lives will be cherished.

Zelda, a three year old terrier mix, escaped from her backyard, was hit by a car and brought to Harbor Humane by a Good Samaritan. After surgery and medical care, she was reunited with her owners who had been frantically searching for her.

Mitsy, a five year old domestic short-haired cat, was accustomed to being pampered on her owner's lap, until her mistress passed away. She grieved, lost weight and became withdrawn. But staff and volunteers hand fed her, spent hours cuddling her and found her a new home. She now lives with a retired teacher who pampers her daily and Mitsy has become her grandchildren's darling.

All sad stories. But all with happy endings! Your support makes these happy endings possible.

Become a Guardian Angel by adopting a kennel today. If you can't make a year's commitment, then consider a gift to support these helpless creatures. **Harbor Humane is 100% donor-funded.** Every contribution is important, no matter how big or small.

Wishing you joy in the new year,

Sue Ann Culp
Director of Development

Give a homeless pet a second chance at life and love.

**Be their Guardian Angel.
They're waiting here for you!**
